Maintenance Staff

Without the hours spent by the cooks, janitors, and bus drivers of Greenville High, the school would be without many of the conveniences that it now has. The school cafeteria provides nourishing and inexpensive meals which enable many students to obtain lunch quickly and conveniently. Not only do our janitors maintain cleanliness in G.H.S., but, in a friendly manner, they are always willing to aid a student in need. The bus drivers who transport rural students to and from school are always cooperative and understanding.

These people, though rarely given recognition, are an essential part of our school.

And now, please meet the

Seniors

who, this year, leave Greenville High School in a burst of activity and excitement.

The Class of 1954

In 1950, as a group of freshmen, we entered Greenville High School.

We have derived great benefit from our four years in close association with faculty and students. Without help, we as freshman, would have been lost in the maze of upper-classmen, assemblies, and schedules. We will fondly remember these as among the happiest years of our lives. How well we remember that myriad of events: our freshman party; our sophomore banquet, the first in the history of the school; the junior play which helped to finance our first prom; the senior play; the class advisers who were so patient and catered to our every whim; our last great undertaking, the yearbook, and the help we received from our advisers.

Yes, we are proud to be members of the graduating class, and we hope that someday in the not too distant future the school will feel proud of us.

Athletics

Greenville High School offers extensive athletic programs of spring and winter sports for both boys and girls.

Greenville High School's Athletic Board of Control is composed of the principal of the high school, who serves as chairman, the athletic coaches, the athletic director, a junior and a senior boy representative, and a senior girl who serves as secretary.

Student representatives are elected by the entire student body each year. The junior representative continues to serve on the board the following year as senior representative. A senior girl is always chosen secretary.

The board governs the athletic policies of the school, sets the admission prices to athletic events, pays athletic bills and medical expenses of athletes injured while participating in athletic competition, and approves all athletic awards.

The three boys' duties consisted mainly of caring for all pieces of football equipment.

Joe Pequignot has acted as manager for three years. The other two boys have completed only their first year, but all have done excellent work.

Managers

Cheerleaders

Left to Right: Joan Swank, June Cole, Jane Lynch, Arlene Hauberg, Pat Cottrell

Five energetic and enthusiastic cheerleaders led Greenville High School's sport fans this year. They boosted not only the morale of the fans but of the team as well. They attended both home and out of town games. June Cole and Joan Swank have completed their fourth year of cheerleading for Greenville High School.

Basketball

The G.H.S. basketball fans cheered a "fight, team, fight," for the "Green Wave" varsity basketball squad again this year. The team ended the '53 and '54 season with seven victories and eight defeats.

Coaching the team was Benny Cole. Coach Cole will lose only a few seniors this year, so he hopes that next year's squad will have the same fighting spirit and another successful season.

The Reporters' club is composed of fifty students from the junior and senior high school classes. These students are interested in journalistic work.

Reporters' Club and G. H. S. Advocate Staff

From the Reporters' club is selected the permanent G.H.S. Advocate Staff. This staff is composed of one of the three first semester editors chosen by the faculty adviser and the high school principal. The permanent editor is allowed to choose his staff. It is the task of the staff to publish the G.H.S. Advocate and the G.H.S. Mirror, a publication printed every six weeks. J. E. Oliver is the adviser. The members of the permanent staff this year are: Editor, Barbara Michael; Assistant Editor, Jim Goubeaux; Associate Editor, Janice Unger; Sports Editor, Jack McEowen; Exchange Editor, Meredith Sayle; Filler Editor, Sally Shroder.

A Capella

The vocal music department of G.H.S. under the direction of Miss Elizabeth Hill consists of A Capella Choir, Girls' Chorus and Boys' Chorus. There are nearly 400 voices in the three groups, which together with the instrumental music department, present the annual winter musical. A Capella presents programs before several community organizations during the year. In the spring musical, which was entitled "Music in the Air," A Capella contributed a sequence of acts which added to the dignity and levity of the program.

Approximately 250 girls are enrolled in the girls' chorus. The biggest event of their year is participating in the winter musical.

Girls' Chorus

Boys' Chorus

The boys' chorus, which is composed of 150 voices, presents its program at the winter musical. Any student enrolled in vocal music is eligible to membership in these choruses.

Marching Band

The 65 piece marching band under the direction of Glenn Johnson performs at the football games, basketball games and community celebrations. The band was resplendent in its new uniforms provided by the efforts of the Band Boosters' Association.

The colorful and spectacular routines of our majorettes are a highlight of our marching band. They are as follows: From left to right—Joyce Puterbaugh, Jean Maxwell, Judy Howard, Joanne Miller, Pat Markwith.

The instrumental music department of G. H. S. forms an important part of our educational program. It is doing a magnificent job in discovering and developing musically talented students. This department includes the concert band, orchestra, and marching band, and is under the joint direction of Glenn Johnson and Dwight Brown.

Orchestra

Our 40 piece orchestra under the direction of Dwight Brown plays for community activities; it performs at school programs and plays. The most important appearances of the orchestra are in the spring and winter musicals.

Shown at the right is the Homecoming Queen of 1953-54, Miss Joanne Miller on her night of coronation. The queen and her court were elected by the student body.

The coronation took place before the start of the Fairmont football game. The queen and her court circled the field in convertibles furnished by local boosters. The cavalcade stopped in front of the home section of the stadium at which time the identity of the queen was revealed. The girls were then escorted to the center of the football field where Miss Barbara Boyer, last year's queen, placed a crown of white chrysanthemums upon the head of the 1954 queen.

After the game Joanne ruled as queen of the Homecoming Dance.

The G.A.A. formal dance is an annual event sponsored by the Girls' Athletic Association. For this dance the girls have a chance to invite their escorts. The dance this year, "Pink Champagne," was held November 10, 1953, in the gymnasium. Pictured at the left is Bobby Wertz's orchestra which played for the dance.

These are some scenes from the spring musical, "Music in the Air", produced under the direction of Miss Elizabeth Hill, Dwight Brown, and Glenn Johnson.

The stage crew is a group of high school boys who form an integral part of all stage productions given by the school and community.

The members of the stage crew this year were Harold Stockslager, Charles Lockhart, John Stockslager, Bill Holmes, and John Wehr.

Acknowledgement

To our friend and adviser, Mrs. Griner, and to our confidant and trouble-shooter, Mr. Phelps, go our heartfelt thanks for the contribution they have made to our yearbook. Without their patient aid and guidance this production could not have been undertaken.

Our thanks, too, to Mr. Oliver for directing the annual play; but especially, to each and all members of the class of 1954 for their record breaking magazine sales and for the support, both moral and financial, they provided the annual staff.

Also our thanks go to the Indianapolis Engraving Company, the S. K. Smith Company, and the Magee Publishing Company.
